Mr.M.D.Naik for respondents.

CORAM : H.L. GOKHALE &
S.C.DHARMADHKARI, JJ.

DATE : 5th May 2005

P.C. :

1. Heard the learned Counsel for the parties.

2. The petitioner had appeared for the final year Bachelor of Pharmaceutical Sciences (as per MUHS Syllabus) Degree examinations in May 2004. She failed in two papers and she applied for verification of these two papers. Result of the verification was communicated on 8th December 2005 to the petitioner that there was no mistake. This petition was filed on 20th December 2004 but was not moved at any point of time for urgent orders and now when the May Vacation is approaching, on last but one day, the matter is mentioned and the

prayer is sought that the University be directed to re-value the two papers viz. (i) Biopharmaceutics and (ii) Pharmaceutical Jurisprudence. We are told that the examination is to be held in June 2005.

3. The College and the University examinations and vacations have already started. We are not sure as to whether at this late stage it would be possible for the University to conduct the revaluation. Even so, Mr.Naik appearing for the University states that if the petitioner applies within one week, the application will be placed before the concerned Committee and if the concerned Professors are available, an attempt will be done to revalue these two papers in time. We make it clear that in the event revaluation is not done before the ensuing examination to be held in June 2005, the University will not be held responsible for it. Petition is disposed of.
